## Message

Dear Mr. Gillette: I have also left you a voice-mail regarding this. We would like a copy service to make copies of a three-volume report (June 30, 1999 RIR/RIW) recently submitted to Joe Nowak of the Site Remediation Program regarding the Napp Facility in Lodi, New Jersey. We spoke with Mr. Nowak and he advised us that he will make the report available for copying at the earliest. Mr. Nowak also advised us that Volume II and III of the report have large size drawings. I would like to talk to you regarding any recommendations for a copying service.

Thank you for your attention to this request. Please call me at (973) 366-4786 Ext. 3144 at your earliest convenience.
